Since
1982

Dear Athletic Floor Owner,

After refinishing your gym floor, you should maximize that investment by creating a floor maintenance program. This will enhance your floor's appearance and extend its playability. One of the key steps in a maintenance program is regular cleaning.

Royalwood Associates, Inc. recommends the use of the **Quick-Pass™** Cleaning System with **SUPER SHINE-ALL®** for your weekly cleaning. The **Quick-Pass™** is a simple-to-use, highly effective system. It is six feet wide so just a few passes and your gym floor is clean and ready to use. This will remove stubborn soils, spills, perspiration and other foreign matter from the floor. Mix the **SUPER SHINE-ALL®** at the rate of two ounces per gallon of water.

The **Quick-Pass™** Cleaning System includes: 1 **Quick-Pass™** applicator with 1 towel, 2 extra towels & a case of **SUPER SHINE-ALL®** (4 gallons) for a total cost of \$650.00 (**not** incl. tax & shipping.)

Click on the link below to view a video of the **Quick-Pass™** at work, along with simple instructions and tips for use. <https://youtu.be/EBYRmVzRqZ4>

(One additional tip: to speed things up, we have included the extra towels so they can be soaking while using the other. Then just switch them out once each is used up.)

If you are interested in purchasing the **Quick-Pass™** Cleaning System with **SUPER SHINE-ALL®**, please contact your **Royalwood Associates, Inc.** Sales Representative at **919-957-3006** or sales@royalwood.us.

Sincerely,

Royalwood Associates, Inc.
